**CLOSING DATE: November 13, 2020 at 4:30 pm**

**Introduction:**

The live-in shares accommodations and life experiences with the residents of the house. The focus of the arrangement is one of developing supportive relationships and providing companionship. The arrangement allows for outside employment, or study. In recognition of support, live-ins receive free accommodation and a monthly financial honorarium.

**Specific Expectations:**

1. Abide by the provisions of the live-in agreement.
2. Provide support, guidance and/or assistance with the activities of daily living to roommates on a needed basis in an effort to facilitate their community participation and their relationships with others.
3. Assist roommates in meeting their health and nutritional needs, to ensure that medications are received, and to assist in emergencies, as needed.
4. Maintain a healthy and safe environment for self and roommates.
5. Nurture and maintain positive relationships with roommates, their families, neighbors and other members of the community.
6. Maintain written and verbal communications among roommates, and with House/Program Staff and Supervisor, reporting events in a timely and accurate manner.
7. Acquire the approval of the Supervisor before spending on behalf of the apartment/house or roommates.
8. Be a healthy and positive role model for roommates and be present in the apartment/house as agreed upon times such as mealtimes, overnights, or weekends.
